

LONG STAPLE COTTON MARKET

Coming to Market Earlier Than It Did Last Season.

OR NOT UP TO OTHER YEARS

Large Number Engaged Preparing the Crop for Shipment—Prices Are Somewhat Lower—Upwards of 1,600 Bales Have Been Ginned to Date.

The appearance of a Sun representative at the cotton ginner and warehouse of H. F. Dutton & Co. in this city, yesterday afternoon, did not shed sufficient of the brilliant rays of that orb to warrant the operating of the gins, so business was quieter than on the bright, sunshiny days, when the fleecy product is put through the process and comes out much brighter than on a cloudy day. But there was a large number of bales on hand, which showed that considerable of the crop is being marketed here.

In and about the premises there are upwards of 40 hands employed, and with the eighteen gins in operation there is considerable life at this place during the season. Cotton is sent in from many portions of the State, and although it commenced coming in earlier it is not causing much of a rush.

The business is confined to only the handling of Sea Island (long staple) cotton, and Harvey Robinson, the nephew of Hon. W. G. Robinson, who is in charge owing to the illness of the latter, said that the color was not quite as good, nor the preparation of the crop, as last year. This, in a measure, would affect the price somewhat, and while the quotations were up to 20 cents at that time, 17 cents is considered a high price this season.

Upwards of 1,600 bales have already been put up for shipment, and it is thought that the gins will be kept pretty busy for several months to come, and some work will be done well into the winter. While most of this cotton is shipped to the New England States to be manufactured into the finest cotton goods, this firm also makes several shipments to European markets, where great care is taken in shipping an article that must come into contact with the best product of the world.

There is no cotton on the market that leads the Sea Island and in this section the growers can, with care, produce a grade that can come up to that of any section in the cotton growing countries, Alachua county having captured many prizes on this product at competitive exhibitions of the world.

DEATH OF MRS. ANDERSON.

A Highly Respected Resident of Wade Dies Suddenly.

Mrs. Sarah F. Anderson died very suddenly and unexpectedly at her residence at Wade on Wednesday evening, Oct. 4th. She was in excellent health until about a week ago, when she complained of being indisposed and was confined to her bed with a slight bilious attack, which later developed into heart trouble and caused her untimely death.

She was 65 years old, a Christian lady beloved by all who had the pleasure of her acquaintance, and her death was a severe blow to the whole community.

The deceased was the mother of thirteen children, six of whom are living at present—three sons in Arkansas, J. M. Anderson, postmaster at Wade; W. B. Anderson, merchant at Dannelton, and Miss Florence Anderson, who has taught successfully several schools in this county. She also leaves two brothers, J. F. Riley, merchant at Wade, and J. D. Riley of Jacksonville. She was buried at Forest Grove Cemetery Thursday evening, with a large number of friends and relatives present, Mr. Henderson holding the funeral service.

TWENTIETH CENTURY CLUB.

Third Year's Work Begun Under Favorable Auspices.

The Twentieth Century Club began the third year's work on October 9th at the home of the President, Mrs. C. A. Colelough. The formulating of plans for the year were discussed, results to be placed in definite shape at the next meeting. The president gave her welcoming address, making suggestions to stimulate zeal and interest. The report of the board of directors proved the efficiency of the selections made by the club in the arrangement of the year-book, which will soon be ready for distribution. The report of the library committee was of especial interest and a deserved vote of thanks was given the chairman, Mrs. Foster, for her untiring and fruitful efforts during the summer months.

The Twentieth Century Club begins the new year hopeful of good and substantial results for future benefit to the members, as also, eventually, to the town at large, in a splendidly equipped library, which is their special work. Members are requested to be prompt with dues, so that the year-book may not be delayed.

A SAD DEATH.

Mrs. George A. Flagg of Waldo Passes Away.

The people of Waldo were shocked last Saturday evening, October 7th, when it was announced that Mrs. Geo. A. Flagg was no more. While she had been quite ill for several days, her many friends did not realize that the end was so near.

Mrs. Clara Eugenie Flagg was the only child of Mr. and Mrs. Edward Repault of this place. She was born at Centralia, Ill., on September 7th, 1873, and brought to Waldo while still a child. On September 28d, 1890, she married George A. Flagg. Besides her parents and husband, she leaves two bright boys, aged 12 and 14 years, to mourn her loss.

A beautiful character, together with her devotion to her loved ones, seemed to be her aim in life. Her host of friends here extend condolences to the bereaved loved ones.

The peculiarly sad feature of this death is the fact that Mrs. Repault had just returned from Virginia, where she buried her mother just two weeks before.

Waldo, October 11, 1905.

A NEW COUNTY.

Williston Will Hold Public Meeting to That End.

The citizens of Williston have been agitating for some time the organization of a new county in that section, to be made up of certain portions of Levy, Marion and Alachua counties. On Tuesday evening a public meeting was held for that purpose and the necessary steps will be taken to push the project.

The new county as planned will comprise an area of 16 by 25 miles, and the name chosen is Epperson, in honor of their public spirited citizen, Ralph Epperson, who acted as secretary of the meeting, J. C. Reddick being the chairman. The people of Williston pledged \$5,000 toward the erection of a court house at that place.
